Los Poblanos Botanical Gin

Los Poblanos has been growing and distilling botanicals on our historic farm for over two decades. Our botanical spirits are thoughtfully developed by dedicated farmers, gardeners, herbalists, distillers and mixologists to capture the flavor profiles of our unique high desert landscape.

Born on the farm and distilled in house, our **Western Dry Gin** combines sixteen botanicals

that express the spirit of the Rio Grande Valley and thrive on our small organic farm including piñon, rose, hawthorn and chamomile. Our **Lavender Gin** highlights the soothing medicinal and aromatic properties of lavender with the complexity of four varieties to transport you to the fields of Los Poblanos.
