

## LOS POBLANOS PHOTO POLICY

As a historic property, Los Poblanos provides a beautiful space with thoughtful landscaping and priceless art objects, making it a popular place for photography. While photography is welcomed at the property, we kindly request that it is conducted without disruption to other guests, private events and staff and with the preservation of the historic property in mind.

### *Personal Use Photography*

Personal use photography in public spaces is welcome, encouraged and may take place at any time during business hours. Additionally, inn guests are permitted to photograph in areas designated for inn guests only, and private events guests are permitted to photograph their event. This includes photography captured with cell phones and handheld cameras. We kindly ask that you leave your tripods, artificial lights, reflectors, diffusers and additional gear at home.

### *News & Media*

In order to best support the news and media, all organized photo shoots at Los Poblanos for news and media purposes require an escort from the Marketing office at all times or must have express written permission from that office to shoot independently in the form of a photo pass. Please call or complete a photo inquiry request to schedule your visit to ensure a staff member is available. Unscheduled photo shoots that cannot be staffed will be declined.

### *Commercial Shoots*

Commercial photography at Los Poblanos is defined as images created in or of the Los Poblanos property that any individual or organization intends to use for commercial, professional, advertising, or promotional purposes. This is including but not limited to film or television, advertising, retail merchandising or product literature, brand and product photography, fashion shoots, marketing, portfolio, educational, stock images, published material, or any purpose for which the photographer is paid for the use of the image or video. This also includes portrait photography including, but not limited to, family, baby, pregnancy, birthday, prom, quinceañera, senior, graduation and corporate sessions. These types of shoots must be approved and scheduled in advance with the Marketing and Events offices. Please note that engagement and wedding photography is limited to couples hosting their wedding ceremony at Los Poblanos. A fee will be charged for use of facilities and staff time and will be determined on an individual basis. Simply fill out the online photo inquiry form and the Marketing and Events offices can provide a copy of our Commercial Photography Agreement and associated fees.
