## WINES OF NEW MEXICO

Our home of New Mexico has a lengthy tradition of winemaking. In 1629, over 130 years before the first established California vineyards, Franciscan monks were planting grapevines in the Rio Grande Valley. In the late 1800s, New Mexico was flourishing with grapevines and was on its way to becoming a successful wine region. However, in the late 1800s, devastating floods ravaged the area almost destroying all the vineyards. To make matters worse, in 1920 the industry as all but completely shut down with Prohibition. It wasn't until fifty years later, in 1970, that the industry began to revive itself. Today we are home to the three blossoming American Viticultural Areas of Mesilla Valley AVA, Mimbres Valley AVA and Middle Rio Grande Valley AVA.
